AMBASSADOR OF INDIA
THE HAGUE (THE NETHERLANDS)

No.HAG/COM/202/3/2011

17th June 2011

Dear Friend,

As you are all aware, The Embassy website has, for several months, announced the introduction of the Indian Fast Track Business Visa Scheme. The aim of this scheme is to facilitate quicker processing of Business Visa for Dutch companies whose officials need to travel frequently to India for business purposes.

With the help of our colleagues of the Dutch Embassy in New Delhi and our individual contacts, we have developed the attached database of Dutch Companies doing business in India or interested in investing in India who could be covered by the Indian Fast Track Business Visa Scheme.

I may add that the response so far on the Embassy website has been disappointing. Despite my personal efforts and those of my colleagues, very few additional names have been ascertained, in addition to those suggested by the Dutch Embassy in New Delhi.

The Scheme would be operationalized in the following manner:

- By 15 July 2011, a complete database of companies covered by the Scheme would be put on the Embassy website. Companies would be informed by the Embassy. They may avail of this Scheme through a letter addressed to Ambassador or Dr. Pankaj Sharma, Minister, signed by the authorized CEO, indicating which official of the designated company intends to

travel to India on business with details regarding the visit. On that basis, the Embassy would process a fast-track one year business visa for the concerned official.

It would be greatly appreciated if the above information could be shared with your colleagues so as to enable to complete the database and get the Scheme operational by 15th July 2011.

Warm Regards,

Yours sincerely,

Bhaswati Mukherjee
