Lets Meet Again : ICSC November 2017, Jaipur, Rajasthan INDIA

The Pesticide Manufacturer & Formulators Association of India (PMFAI) is organizing the International Crop-Science Conference & Exhibition in Jaipur, India on 9 & 10 November 2017. For more details visit www.pmfai.org to promote Make in India for promoting India as next Manufacturing Hub for agrochemicals.

The event will provide opportunity to meet top leading Indian Agrochemical Companies; there will be 55 booths exclusively for agri inputs (agrochemicals, fertilizers, biological pesticides and ancillary units). As India is laying out the red carpet to encourage foreign investors and is to become global manufacturing hub in coming years this is a good opportunity to discuss business with the Indian companies for joint ventures, joint R&D, contract manufacturing, to expand distribution network for agrochemical products, product procurement & for better market reach. This will give an opportunity to meet them all under one roof. For more details please visit www.pmfai.org or www.pmfaiicsce.org

A conference organized on side-line of the exhibition will brief about Indian agrochemical industry and registration procedure, other subjects being in formulation technology and its registration and Post Patent Scenario.
